

Worksheet 1

Discovering International Youth Work

Objective:

- Learn about what youth work means by watching the video and reading according to the Council of Europe and why it's important.
- Understand how youth work covers various activities and themes
- Reflect on their youth work practice and search the level of recognition in their country

How well-established and recognised is Youth Work in your country?

Do your youth work practices align with what you have seen in the video and read on the website? In which ways? Can you describe some of your youth work activities?

**Is your youth work practice focus more on a local or international level?
Why?**
